

# Main functions

Letter Order allows you to add students, create custom groups, add students to these groups, schedule meetings, assign activities, create student or group notes, send notices, and more.

- [Add student](#)
- [Create group](#)
- [Assign to a group](#)
- [Activity assignment](#)
- [Group conversation](#)
- [Notes](#)
- [Notice](#)
- [Meeting](#)
- [Student profile](#)

# Add student

You will be able to add students to begin to support them in their learning process.

---

## Add student

1. From the top menu, go to
2. The ALL option is the main option by default

ALL

School grade

Groups

3. Tap located at the bottom right of the screen.
4. Enter the code that has been shared with you by the student previously. (You must request the "Student Code" in advance to add your students.)
5. The icon will be activated if the code is valid. and the name and age of the person to whom the code is assigned will then be on display

Is who you are looking for?

Charlie Doe Smith

NO

Yes

6. If it's the right person you want to add tap and your students will receive a notification that they have been added to your class. But if is not the right person, tap , re-request the code from your student, and check that it is spelled correctly.

# Create group

Creating a group will help you organize the information, tasks, and activities you want to assign to your students, as well as help you communicate with them.

---

## Create a group

1. From the top menu, go to

All School grade **GROUPS**

2. Tap

3. Tap icon located at the bottom right of the screen.

+ Group name

4. Enter the name you want to give this group  ✓. It is best to use a name that will help you to identify the students you are dealing with.

5. Under  Add student tap the name of the students you want to add to this group, or leave blank if you do not have any students for this group yet.

6. The icon  next to the student's name will become active when you select the student you want to add.

7. To save the group and its members: Tap

SAVE 

8. The name of the group and the names of the students in the group will be displayed in summary mode in the pop-up screen. Tap  to finish.

Your group has been created. It will appear in your Groups tab.

# Assign to a group

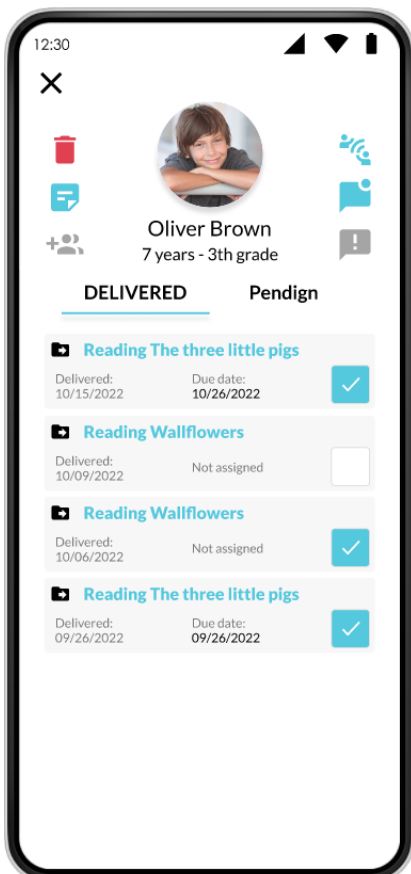

If a new student has joined, you can add that student to a group if you wish.

## You can add a student to a group from several places

- From the student's individual profile
- From the list of students on the ALL tab
- From the list of students in GRADE tab.
- From the list of students in GROUPS tab.

## From individual profile

1. Enter the individual profile of the student you want to group.

2. Tap  icon

If the icon is displayed like this:  it means that the student already belongs to a group.

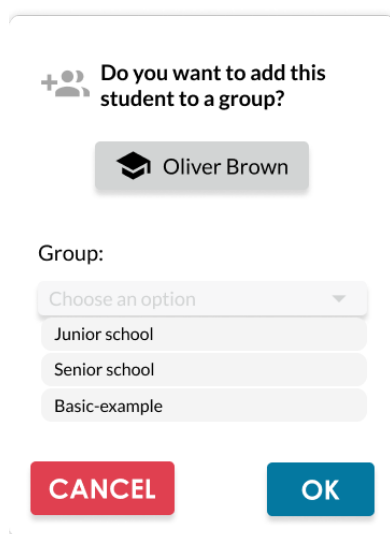

3. If you tap  , a pop-up screen appears where you can select the group to which you

A pop-up dialog box with a white background and rounded corners. At the top left is a grey icon of two people with a plus sign. To its right is the text "Do you want to add this student to a group?". Below this is a grey button with a graduation cap icon and the text "Oliver Brown". Underneath is the label "Group:" followed by a dropdown menu with the text "Choose an option" and a downward arrow. At the bottom are two buttons: a red "CANCEL" button and a blue "OK" button.

want to assign the student.

4. When you tap on the bar, you will have a list of group options.

A pop-up dialog box similar to the one above, but with a list of group options. The "Group:" label is followed by a dropdown menu that is open, showing three options: "Junior school", "Senior school", and "Basic-example". The "CANCEL" and "OK" buttons are at the bottom.

5. To finish adding the student: Tap 

---

## From all tab

1. From the top menu, go to ALL
2. The ALL option is the main option by default

**ALL**

**School grade**

**Groups**

3. Each student's individual profile will be on display.

4. You should tap the icon

If the icon is displayed like this: it means that the student already belongs to a group.

5. If you tap , a pop-up screen appears where you can select the group to which you

The screenshot shows a white pop-up dialog box with rounded corners. At the top left is a small icon of two people with a plus sign. To its right is the text "Do you want to add this student to a group?". Below this text is a grey button with a graduation cap icon and the name "Oliver Brown". Underneath the button is the label "Group:" followed by a dropdown menu with the text "Choose an option" and a downward arrow. At the bottom of the dialog are two buttons: a red "CANCEL" button on the left and a blue "OK" button on the right.

want to assign the student.

# Activity assignment

Assigning activities consists of letting the learner know what they are expected to do, providing instructions, and defining the type of content they need to deliver.

1. Once you have uploaded the activity you want to assign (to upload your activity, see:

[Upload my content](#)). Go to Activities

My content

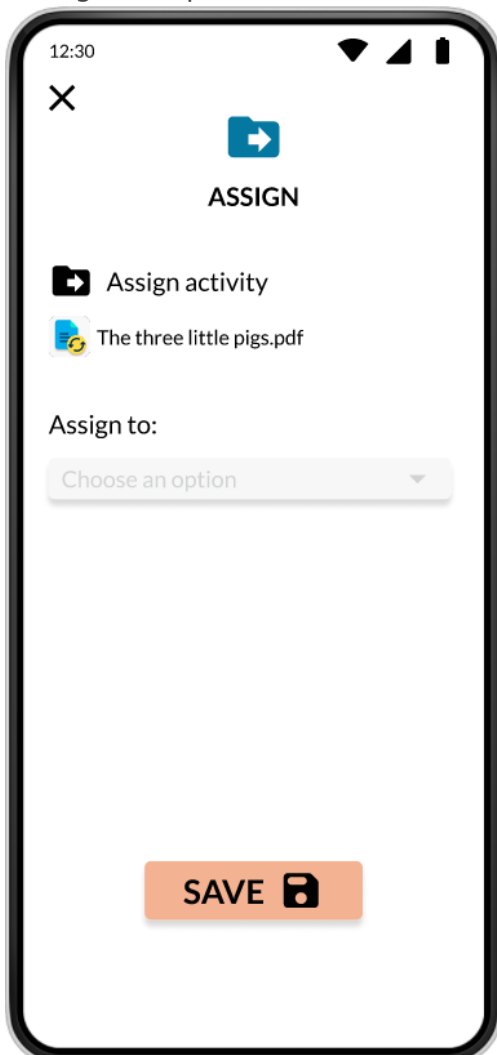

2. Tap
3. Once inside, select the folder that contains the activity you want to assign.
4. Tap the activity you want to assign.

Reading the three  
little pigs

5. Two options appear. Tap  icon.

6. On the pop-up screen, you will see the name of the activity you want to assign and the "Assign to" option.

7. Tap the options bar and select the type of assignment you want to make: individual, group or grade.

## Individual

1. The screen will change and the "Add Student" option will be added, tap  
Add student:  
 +
2. On the pop-up screen you will see a list of students available for assignment . Tap ☒ next to the student name to add them to the activity assignment.
3. When you have selected all the students you want, tap  to add them.
4. You will see the students you have selected for the activity.
