

Assign to a group

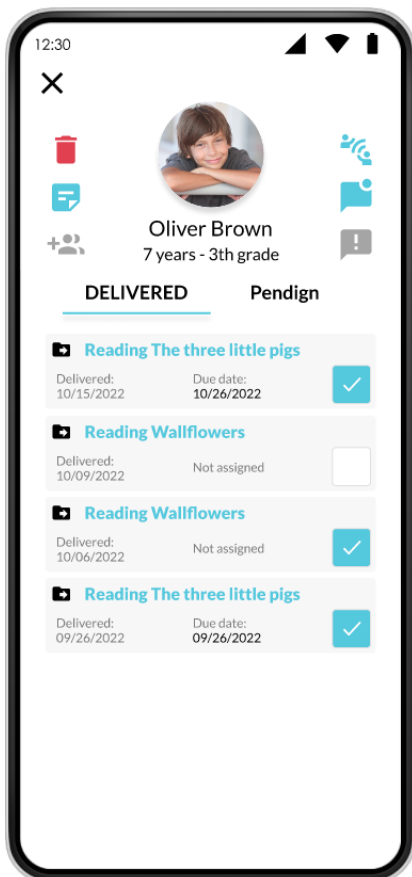

If a new student has joined, you can add that student to a group if you wish.

You can add a student to a group from several places

- From the student's individual profile
- From the list of students on the ALL tab
- From the list of students in GRADE tab.
- From the list of students in GROUPS tab.

From individual profile

1. Enter the individual profile of the student you want to group.

2. Tap  icon

If the icon is displayed like this:  it means that the student already belongs to a group.

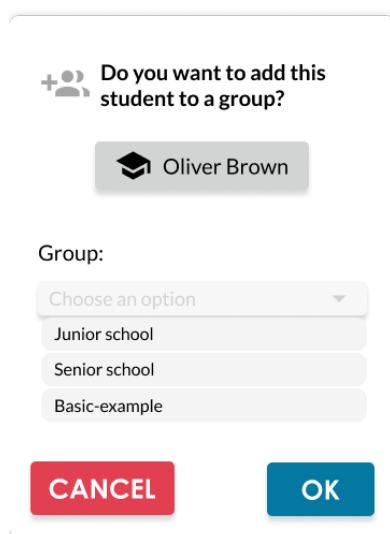

3. If you tap  , a pop-up screen appears where you can select the group to which you
