Create account

To start using Letter Order, you need to create an account, and to do so, you must first determine what type of user you will be. If you are in this section, it means that you are interested in creating an "student" account as mentioned on the main login page of the app.

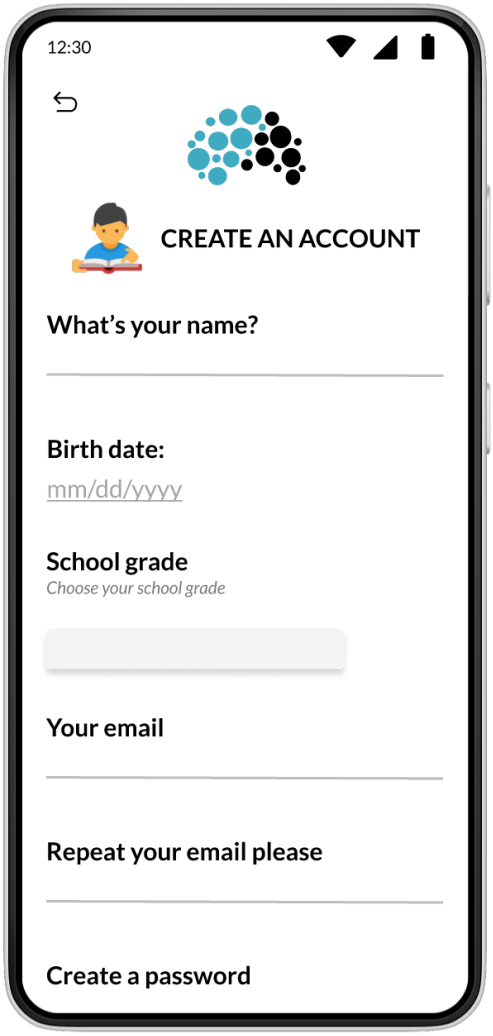

How to create an account

After downloading and installing the app. When you open the app, you will see the option 

this will be your user type.

1. Choose the user "student"
2. Tap 

3. You must fill your personal information.
    - What's your name?
    - Birth date
    - School grade
    - Your e-mail
    - Create a password and confirm it

4. Accept the terms for the creation of your account

   ○ I agree that my personal data will be used by the application for my practices, and will be shared with who will be my tutor

5. Tap the button CREATE IT, if all the data are correct your account creation as an interventionist will be accepted. The legend "*Your account has been created*" confirms that your account has been created.
6. Tap OK and you will now be able to login.
